#### Notification

71/81/82-PHD

Rules for Admission to Post-Graduate Degree and  
Diploma Courses of the University of Bombay  
at Goa Medical College

I. These rules shall be applicable to all the admission for Degree and Diploma Courses of the University of Bombay at the Goa Medical College and shall be effective from June, 1982. The number of seats will be guided by the directives from Medical Council of India/Bombay University and will be advertised from time to time.

II. Admission will be granted in the months of June/December of every academic year as per the rules of the University applicable from time to time. As a routine the applications shall be invited in the prescribed form four weeks before the commencement of the new academic term on the conclusion of internship. The last date of submission of applications shall be 15 days from the date of issue of notice.

#### III. Eligibility, Preference and Order of Merit.

##### 1) Eligibility:

Candidate applying for the admission to the post-graduate degree/diploma course shall:—

- (i) Possess the MBBS degree of the University of Bombay or any other University recognized as equivalent thereto by the University of Bombay and Medical Council of India.
- (ii) Have registered with the Indian or State Medical Council, after completing the compulsory internship for one year.

##### 2) Preference:

While selecting the candidates for admission to post-graduate courses preference in the following order shall be observed:—

- (a) Candidates who have graduated from Goa Medical College and have also satisfactorily

completed full internship at Goa Medical College. If such candidates are not available.

- (b) Candidates who have graduated from Goa Medical College but have done the internship outside Goa Medical College, if such candidates are again not available.
- (c) Candidates who have graduated from Colleges other than Goa Medical College but who have completed the internship in Goa Medical College.

##### 3) Order of Merit:

The order of merit shall be determined by computing the marks in the following manner:—

- (i) The merit shall be arrived at by obtaining the sum of the percentage of aggregate marks and the percentage of marks in the subject-related to the Diploma/Degree in which the candidate seeks the registration.
- (ii) **Aggregate Marks.**—The percentage of aggregate marks shall be arrived at by totalling the marks obtained in the 1st, 2nd and 3rd MBBS Examination. (viz. Anatomy, Physiology, Pharmacology, Pathology and Bacteriology, Preventive and Social Medicine, Forensic Medicine, Medicine, Surgery and Obstetrics and Gynaecology) and reducing it to a percentage after the following deductions:—
  - 1) 2½ percent of marks shall be deducted for every failure from the marks of the subject failed, except in the case of the subject related to the Diploma/Degree of registration.
  - 2) 2½ percent marks shall also be deducted as above, if the student takes a drop in any subject (does not appear) at the scheduled time.
- (iii) **Subject Marks:**—This refers to percentage of marks in the subject related to Diploma/Degree in which the candidate seeks registration i.e. Medicine (or) Surgery or Obstetrics & Gynaecology. The percentage of subject marks shall be arrived at after deducting 5% for each failure or drop.

**Note:**— While computing the aggregate marks, however, deduction indicated in 3 (ii) (i) above, shall not be made, in subject, where 5% deduction has already been made for failure under "subject marks" at 3 (iii).

- (iv) If two or more candidates secure the same marks in the merit list as drawn above, the subject marks should decide the merit. In case the subject marks are also the same, the total marks secured by the candidates in the IIIrd MBBS Examination, or total marks of IIInd MBBS Examination or total marks of Ist MBBS Examination, depending on whether the candidate is seeking registration in a clinical, paraclinical or pre-clinical subject.
